Dear Ms. Stoddard:

On January 16, 2014, we advised you that your firm was Woman-owned Business Enterprise (WBE) certified; however, to participate in The Port Authority of NY & NJ's construction program for MWBEs your firm needed to be qualified by our Engineering Department. I am pleased to inform you that Creative Cabling Solutions, Inc. has been qualified in the construction specialties and ranges noted above.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Business Diversity and Civil Rights in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until January 16, 2019, after which you must submit a recertification application with supporting documentation. The application can be accessed from our website: www.panynj.gov/supplierdiversity

If you have any questions regarding your certification, you may email the Office of Business Diversity and Civil Rights at certhelp@panynj.gov or contact me at (212) 435-7816.

Sincerely,

Jewrel Tomlinson
